

The required uniform for the Sandy Creek High School Band is a formal black dress. This dress will last them for several years. The cost of the dress is \$65.00. An order will be placed on August 20th.

Please use the measuring chart provided below to measure your child for their dress. The dresses arrive unhemmed, and possibly need to be hemmed after they arrive. They will need to be hemmed ankle-length. If you do not sew and need help finding a seamstress or alterations shop, there are several in Fayetteville that will do it.
